Hi George,

Happy New Year to you as well. I am running out the door today, but I will look at my calendar for next week and let you know what might work. Off the top of my head, I think Wed a.m. and Fri are better for me.

Regards,

David

Subject: Follow-up on DOGGR aquifer exemptions applications

Hi David,

Happy New Year, and we hope all is going well.

Briana and I wanted to catch up with you regarding the aquifer exemption applications that DOGGR has been/is preparing for non-compliant wells.

Would you have any time next week to talk?

Many thanks,

GP
